This is an elite group - the best of the best. You, too can be here. Get another envelope and keep working! You can be here.

The financial future of Douglas Pop Warner is dependent on a successful Tigertthon. If you haven't done your share you are letting your teammates down as well as yourself. Less than minimum participation will prevent you from getting a scholarship next year if you are in that position. Please do your part ... it's the right thing to do. Thank you.

PHOTO CONTEST

Tigers At Play Facebook Photo Contest winners this week are **Brandi Vroom** for "Cheerleader Selfie" and **Becky Daniels** for "Fia finally hugs Dougie". Thank you all for sharing on facebook! To enter just put "Contest" in the Facebook entry and tag Lisa Wetzel or Jessie Fair.

PARENTS

You've all been great this year and it is very much appreciated. You've stepped up and volunteered, you

cheer not chide at games, you make the many commitments of Pop Warner with only minor grumbling (as we all do!), you drop off your child and pick them up in a timely manner, volunteering for snackbar & the miscellaneous other volunteer duties, etc. Yes, you have all performed your parent part of this peculiar program to perfection. We are very appreciative of your cooperation and your execution of your Pop Warner parent duties. Thank you very much and remember- your child is having a better Pop Warner experience because of it. Pop Warner is not like other youth sports - it is a big commitment, but isn't it GR-R-R-REAT on game day?! Our sincerest of thanks to all of you and keep up the good work - we've a lot of football and cheer left!

LOPSIDED SCORE RULE

Pop Warner has a rule known as the Lopsided Score Rule that is designed to prevent a team from "piling it on". It is intended to preserve the self-esteem of a team that is outmatched on a given day. The rule kicks in when the point spread reaches 28. At that time the clock turns into a running clock. The winning team must make every effort to minimize the score including keeping the offensive running plays between the tackles, and moving players to different positions. Fumbles and interceptions may not be advanced and there is no blitzing by the winning team. You will often see a coach insert players in strange positions in order to minimize their team's scoring capability and to give the players some fun and different experiences. New this year is allowing passing by the winning team. If a pass is completed the play will continue until it is finished and then the ball placed at the spot of the completion. That is a rule only used in Sagebrush Empire as an experiment. Postseason lopsided games will not allow passing.

HELPFUL HINTS

We now have large size gray hats in the snackbar.

Thank you Pee Wee fans for maintaining your cool Friday while an opposing coach lost his. Their City President was at the game and witnessed the whole thing. That coach will miss practice and game this week.

If you have friends and family that are mobility challenged remember that we can give them a ride to the bleachers in the Mule. Just let us know and we'll pick 'em up in the parking lot.

Share your pictures by emailing them to our Tiger webmaster at webmaster@douglaspopwarner.com.
