PHOTO CONTEST

Tigers At Play Facebook Photo Contest winner this week is **Sandy Thornton** with "Frozen Tiger" Thank you all for sharing on facebook! To enter just put "Contest" in the Facebook entry and tag Lisa Wetzel or Jessie Fair.

SCHEDULES

The schedules for weeks 8 and 9 are based on standings at the end of week 7 and the results of week 8 games. (this is Week 7) Teams in the playoff picture will play for the opportunity to be in the Snowbowl. The rest of the teams will have cross over games scheduled. This is an exciting time of year as teams are either in the playoffs or matched up against teams that have a similar record.

Game locations will be determined on the basis of record for those in playoff contention. The team with the best record hosts their game. Once the results are in for Game 7 the schedule for Week 8 will be made and field assignments given. Tiny Mite and Mitey Mite game locations will depend on how many of our older, playoff-qualified teams, are in a position to host their games. You will know as soon as we know.

It has taken a lot of effort to get to this point, and the rest of the season is especially exciting. Fall weather is creeping in giving us the proper ambiance for the wonderful sport of football; everybody has learned their role, parents included!; the level of play gets better and better, and Tiger Pride has a way of helping everyone with their priorities and perspective. Everything will snap into focus and, though tired from the season's effort, you will sprint to the finish and be sad when it's over. Just a peek at your emotions of the next few weeks. In the mean time ... there's a lot of football and cheering left!

TIRELESS TOILER

Tireless Tiger Toilers work behind the scenes contributing to the program in a variety of ways so that everybody has a better experience because of their efforts. The usually shun the public eye, but we like to acknowledge them periodically so you can thank them yourself. **Sharon and John Marchant** are our SnackBar Coordinators, one of the hardest and most thankless jobs in our program. They are responsible for getting us snowcones this year ... finally! They arrive early, stay late, train the daily newbies, shop for stock... work their tails off so you can have refreshments and we can earn money to pay for the refs. Thank you, **Sharon and John**, for your tireless efforts on our collective behalf, you are PAWESOME!!!

SIDELINE COACHING

If you are not a rostered coach you should not be coaching your child from the stands. Some of the fields we play on allow you to be in close proximity to your child, but there is too much coaching by non-coaches going on because of it. You are putting your child in danger by distracting him, physically and emotionally! If you want to coach, let us know and we will pay for you to attend clinics starting in February. You aren't a coach now, however, and you may not coach your child over the fence. If you continue to do so you will not be allowed to attend games. This is for the good of your child and the team. Please enjoy the game and remember, you are a fan unless you are rostered.

HELPFUL HINTS
