SNOWBOWL

We have **THREE** Tiger teams that earned Snowbowl berths this year. To achieve what you've done has taken a lot of sweat on the part of your coaching staffs as well as yourselves; a lot of frustration on the part of the coaches, players and parents throughout the long, hot August workouts, late homework bouts after a tiring practice, having every team rising up to the challenge and hope of beating a Douglas team; deafening your ears to the trash talk from your opponents that worsened as your points were added to the scoreboard □ and your self□discipline of not responding in kind, knowing that after the game they would respect you for what you did on the field, not how you would have talked the trash of a wannabe winner; the self□discipline and life□skill of winning with style & grace, the mark of a true champion. You have collectively established yourselves as champion people.

Congratulations to all of you! We understand that it makes for a very long season, but what a season it is! One way to look at it – *you are a victim of your own success*. You are living what you know will be lifetime memories for your athlete and your family. Enjoy it. Now, the season isn't over for you. Go forth to the 2017 Snowbowl and finish what you and your coaches set out to do, oh, so long ago in August!

CHEER COMPETITION

The local Cheer Competition is Sunday, November 5th at Spanish Springs High School. Our cheerleaders and coaches have been working hard all year leading up to this event. This is their Championship. They cheer the boys on every week. This is a good opportunity to reciprocate – go cheer them on. Crowd participation and cheering helps them with their scores and awards. Keep it in mind – it is a rewarding experience that will ring in your ears for hours! (LOUD is good in cheer!) A good result here and they will be traveling to Santa Clara on the weekend of November 19 to compete in the Regional Cheer Competition.

EQUIPMENT

Remember to check your child's mouthpiece, facemask for tightness, pads for cracks, etc. Is the mouthpiece still effective? Your child's safety is at risk here. Is it ready for Championship play? As it is in any sport playoff situation, the tempo of the Snowbowl games will be raised up a notch ... or two. That means the hitting will be "crisper", etc. Check out the gear before your child straps on his helmet Saturday. Questions...ask your coach.

HELPFUL HINTS

Remember The Douglas Way at all times – we represent quality, integrity and sportsmanship always. You are Douglas! You represent your community, DPW, your team and yourself. Remember that at all times! The other teams remember that you are from Douglas ... they understand that you are special. Sportsmanship, Integrity, Discipline, Friendship, Teamwork, Commitment. You know what you represent and that you do it well. Continue your mission! Have FUN, Play well, have FUN, do your best!

We will need helping keeping the Douglas High field clean during the day and cleaning up at the end of the day. Keep it in mind as you see garbage lying around. Let's keep our welcome open! Pick up as you go. Thanks for the help.

Going forward from this weekend there will be games for all three teams playing for their Championships plus the Jr. Pee Wees. We will be traveling to Santa Clara to either play in the Regional Semi-Finals, or for a bowl game against an opponent from Peninsula Pop Warner on **November 11th**. Either way, your team has earned it and it is a fun way to wrap up a season together in which you worked so hard as a team. The schedule will be made after this weekend's games in Peninsula and Sagebrush.

This is a supplemental edition of the Tiger Beat for the teams continuing their season in the Snowbowl. It is always a pleasure to have teams playing this time of year and to continue in our administrative efforts to keep the players, coaches, parents and fans informed of what is going on. Continue to read your Beat!
