## **JAMBOREE**

The Annual Al Barbieri Jamboree takes place this Saturday in Fallon at the Churchill County Fairgrounds. This is a season kick-off scrimmage where your team will play other teams for 30 minutes each. They'll play 15 minutes one way, offense or defense, and then switch. It is exciting as most of the 60-plus teams from Sagebrush will be there. It will also be crowded as there are four teams with all of their fans on each field! What fun!

Admission is free. Sagebrush assesses Cities for each athlete to participate. Your Board absorbs the cost rather than asking you to pay. FYI – other Cities charge their parents. Your friends from other programs may have paid a fee for this weekend. Another Tigerthon benefit. Plan for the heat – it can be a long day out there.

Be sure to be there when your coach wants you there. It is hectic with so many teams and finding your team can take time. Be careful where you park – **they will tow your car.**

Make the most of your trip to Fallon and enjoy the Cantaloupe Festival and County Fair. Carnival action and much more going on this weekend in Fallon.

## **HELPFUL HINTS**

We won't be wearing our game uniforms at the Jamboree. It is a Douglas tradition to save that for the first game. You will see other teams in their game uniforms. Fret not – we'll be styling on opening day!

Unless you have multiple games on one field you might think 12 times about bringing a pop up. There are a lot of people at the event and it takes time to put it up and down and move it.

The "**Go Orange / Go Black**" window stickers are in and they're really cool! We've already re-ordered as they are selling very fast.

Games are coming up fast. The schedule makers are having to change it as quickly as they make it due to cities dropping teams. Very difficult year for a normally very difficult job. Our Sagebrush schedule is without a doubt one of the most challenging that anyone with scheduling experience has ever seen due to the many variables and circumstances involved in each city. You will see it as soon as we are cleared to release it. We have yet to see a draft.

## **SCRIMMAGE**

The Jamboree is only a scrimmage, folks. Most coaches will be looking at their players and not showing too much in the way of plays or of their talent pool. Don't get too excited as your coach is saving the good stuff for games. The mandatory play rule does not apply at the Jamboree. Your child may not play in each scrimmage as things will be very confusing or the coach is looking at somebody else in a position, but they will get their plays during regular games.

Keep your cheering positive – exhibit Douglas sportsmanship at all times. Remember to pick up after yourself – treat it as if it were your home.
